

PA Commonwealth TAX CREDIT SEMINAR

Presented by KIZ Resources, LLC

This informational session will review the various tax credit programs the Commonwealth has available to support businesses across many industries, whether an early-stage company or a long-established business. If you are in the tech field, manufacturing, property development, agriculture, or a community-based non-profit, you could be leaving money on the table by not taking advantage of the tax credits available to you.

There's a tax credit available for nearly all projects!

Programs to be discussed:

Keystone Innovation Zone (KIZ)
Research & Development (R&D)
Neighborhood Assistance/Enterprise Zone (NAP/EZP)
PA Historic Preservation (HPTC)
Educational Improvement (EITC)
Work Opportunity (WOTC)
